Make your connection to more than 60,000 qualified industry professionals in both the waste and recycling industry.
Your Success Starts With Waste Advantage Magazine.

As North America’s leading monthly magazine for professionals in the $85 billion dollar waste and recycling industry, Waste Advantage Magazine reaches more than 60,000 (100% qualified subscribers) with insightful monthly content that brings loyal and engaged readers—the decision makers who you need to reach.

We are proud of our 10+ years in business and continue to be solely dedicated to covering the solid waste and recycling industry with one publication and one price. As an independent publisher with a staff that has more than 100 years of combined experience in publishing, Waste Advantage Magazine, provides lead generation, ongoing branding campaigns, and a strong media leadership position and partner resource, delivering the right audience to give you the “advantage” to help reach your marketing goals in this lucrative vertical.

Quality is our priority. By focusing on one publication, we are able to give you branding, help drive up sales and reach more readers, build and grow your business, and give you the best return on your investment. Diverse editorial content helps our audience stay informed while the MarketPlace connects buyers and sellers of new and used equipment and services.

PRINT ADVERTISING

A successful marketing venue, especially for companies seeking to reach a targeted audience, print advertising gives tangibility and longevity as well as branding and credibility. Placing ads in printed publications, such as Waste Advantage Magazine effectively reaches niche audiences that may be more difficult to target online.

✓ Print Brings in High Quality Readers.
✓ Print is Engaging. Readers Have Bigger Attention Spans.
✓ Print Ads Drive Action.
✓ Print Drives Users Online.

Make a Bigger Impact with your print advertising.

We are able to provide custom solutions and premium options to make a bigger impact and uniquely showcase your company in our publication:

• Belly Bands: Place your advertisement on a printed sleeve that will wrap around the entire magazine.
• Gate Folds: Place your advertisement in the space of three full pages with one page opening beyond the size of the book.
• Tipped Inserts: Print your advertisement on heavier stock and have it glued into the binding of the magazine.
• Loose Inserts: Print your advertisement on a postcard or heavy stock, which will be loosely placed within the magazine pages.
• MarketPlace Insert: Place your advertisement on our monthly insert before our MarketPlace section.

## FILE CREATION GUIDELINES:

Below are recommendations to assist you in setting up your ad file properly and to get the best quality in your print ad.

**Color:**
- **CYMK:** All colors should be created in the CMYK format. Please make sure NO Spot colors are in use in the document. Although we can convert spot colors to the CMYK format, it is considered best practice to convert them before creating the PDF file.
- **Rich Black Usage:** Our recommended **Rich Black build is C-60 M-40 Y-30 K-100.** Only use this build for large, solid areas of black coverage. DO NOT use this build for body copy, thin lines or small elements.
- **Registration Color:** NEVER use the color “Registration” that is in the Swatches palette. This is 100% of all colors and will not output correctly.
- **Auto Color:** Files and page elements that have been imported from Microsoft Word and PageMaker can sometimes use the color “Auto.” This color behaves like “Registration” color and will not output correctly.

**Image Resolution:** **300 dpi** final size is recommended for images. Enlarging images will decrease the effective resolution while reducing images will increase the effective resolution. Images under 300 dpi can result in poor quality print with bitmap or grainy appearance. The quality of the original image will be a factor in how it will re-produce. Up-sampling images in Photoshop will not necessarily increase the quality.

**Bleeds:** Allow **0.25 inch** past the trim size for all full page bleed ads. We need a minimum of 0.125” bleed but prefer 0.25” bleed. If you send files with less than 0.25” bleed and there are elements close to trim there is a risk of copy being cut off during the trimming process. **All copy, logos and important information should be at least 1/2 inch in from trim.**

**Margins:** We ask that you do not place anything important less than 0.25” from trim, especially type. **TRIM IS THE TOP, BOTTOM AND FACE OF THE PAGE.** If type, images and/or page numbers are within 0.25” of trim, it is possible for it to be cut off.

**Crop Marks:** We ask for NO crop marks as trim boxes are defined within PDFs if they are exported from the Adobe products or Quark. If you want to include them, they MUST be offset 0.25” to ensure that they are outside of the bleed area.

**Accepted Files:** **tif, pdf, jpg**
- All fonts must be embedded and file must be flattened. Ad files created in Word or Publisher will not be accepted.

**Submission:**
- Send ad files to heidi@wasteadvantagemag.com.
- Files too large to e-mail, please contact the production department for instructions.
Optimized for all mobile platforms to drive advertising impact and value, Waste Advantage Magazine not only delivers the monthly digital edition directly to our subscribers, but we also offer Webinars, weekly (Monday - Friday) and monthly E-newsletters, videos and other tools that provide comprehensive and relevant coverage to tell your story with impact and lasting value.

Waste Advantage Magazine’s highly engaging, multi-media environment connects our audience with the latest news, stories, video, products and equipment with more than 87,000 page views and more than 20,000 visitors per month.
