As North America’s leading monthly publication for professionals in the $85 billion waste and recycling industry, Waste Advantage is celebrating its 15+ YEARS of dedication to the solid waste and recycling industry. As we’ve grown, we have seen many transitions over the years. As a result, we have added even more subject focuses, events, and relevant news. In keeping up with changing trends, we have chosen to not only update our logo, but also our tagline to WASTE. RECYCLING. SUSTAINABILITY. in order to encompass an even wider audience within the industry while continuing to focus on waste and recycling and its growth. Now reaching more than 95,000 100% qualified subscribers through both print and digital, Waste Advantage continues to provide insightful monthly content that brings loyal and engaged readers—the decision makers who you need to reach.

We are proud of our 15+ YEARS in business and our FOCUS IS STILL AND ALWAYS WILL BE covering the solid waste and recycling industry with one publication and one price. As an INDEPENDENT PUBLISHER with a staff that has more than 100 years of combined experience in publishing, Waste Advantage is no longer just a print publication, but also provides digital lead generation, ongoing branding campaigns, and a strong media leadership position and partner resource, delivering the right audience to give you the “advantage” to help reach your marketing goals in this lucrative vertical.

Quality is our priority.

By focusing on ONE industry, Waste Advantage is able to give you branding, help drive up sales, reach more readers, build and grow your business, and give you the best return on your investment. Diverse content and multi-media platforms helps our audience stay informed while the MarketPlace connects buyers and sellers of new and used equipment and services.

Waste Advantage proudly supports:
Maintain a constant presence in front of your customers around the clock.

_Waste Advantage_ focuses on developing and maintaining a quality target audience in the waste and recycling industry. A multitude of print and digital opportunities provide potential buyers from various sectors.

Our print and digital work together to give you more ways to reach your target audience on a weekly basis through print editions mailed monthly and our digital edition sent weekly Monday through Friday via our e-newsletter.

The benefits of print advertising.
Tangibility, Longevity, Credibility.

Print media is not going anywhere. Advertisers can increase their clients’ revenue, gain consumers’ trust, attract visual learners and younger readers, and much more by investing in print. As a successful marketing venue, especially for companies seeking to reach a targeted audience, print advertising gives tangibility and longevity as well as branding and credibility. Placing ads in printed publications, such as Waste Advantage effectively reaches niche audiences that may be more difficult to target online.

Advantages of Print:
- Bring in high-quality readers.
- Builds a loyal customer base.
- Engaging. Readers have longer attention spans.
- Reach multiple generations.
- Drives action.
- Drives users online.

File Creation Guidelines

Color: CYMK All colors should be created in the CMYK format. Please make sure NO SPOT COLORS are in use in the document. Although we can convert spot colors to the CMYK format, it is considered best practice to convert them before creating the PDF file.

Rich Black Usage: Our recommended RICH BLACK BUILD IS C-60 M-40 Y-30 K-100. Only use this build for large, solid areas of black coverage. DO NOT use this build for body copy, thin lines, or small elements.

Bleeds for Full and Spread Ad Sizes: Allow 0.25” past the trim size for all full-page bleed ads. We need a minimum of 0.125” bleed, but prefer 0.25” bleed. If you send files with less than 0.25” bleed and there are elements close to trim, there is a risk of copy being cut off during the trimming process. ALL COPY, LOGOS, AND IMPORTANT INFORMATION SHOULD BE AT LEAST 0.5” IN FROM TRIM. Bleeds are not needed for fractional ad pages.

Margins: We ask that you do not place anything important less than 0.25” from trim, especially type. TRIM IS THE TOP, BOTTOM, AND FACE OF THE PAGE. If type, images, and/or page numbers are within 0.25” of trim, it is possible for it to be cut off.

Ad Sizes: Sizes for all ads are noted in the charts above. Please make sure your ad is in the correct size prior to submission of your ad material.

Crop Marks: We ask for NO crop marks as trim boxes are defined within PDFs if they are exported from the Adobe products or Quark. If you want to include them, they MUST be offset 0.25” to ensure that they are outside of the bleed area.

Registration Color: NEVER use the color “Registration” that is in the Swatches palette. This is 100% of all colors and will not output correctly.

Auto Color: Files and page elements that have been imported from this color behaves like “Registration” color and will not output correctly.

Image Resolution: 300 dpi final size is recommended for images. Enlarging images will decrease the effective resolution while reducing images will increase the effective resolution. Images under 300 dpi can result in poor quality print with bitmap or grainy appearance. The quality of the original image will be a factor in how it will re-produce. Up-sampling images in Photoshop will not necessarily increase the quality.

Accepted Files: TIF, PDF, JPG. All fonts must be embedded and the file must be flattened. Ad files created in Word or Publisher will not be accepted.
